

A MESSAGE FROM OUR TEAM

Happy September, Tri-More Family!

August was filled with adventures, laughter, and plenty of time spent together! We explored the Bird Farm, visited the National Museum of the U.S. Air Force, enjoyed games and friendly competition of Mario Kart racing, and celebrated summer with a Tri-More Field Day.

As summer begins to wind down, we're excited to welcome September and the start of a new season. Fall brings new opportunities to explore, learn, connect, and make even more memories together.

Thank you to our families, staff, and community for helping make every day at Tri-More meaningful. We can't wait to see what September brings!

*With gratitude,
The Tri-More Leadership Team*

BIRD FARM ADVENTURES

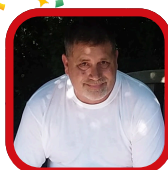

Our Tri-More friends enjoyed a special outing to the Bird Farm Sanctuary! We spent time exploring, seeing a variety of beautiful birds, and enjoying time together.

Volcano Eruption Experiment

SMALL GROUP ADVENTURES: KINGS ISLAND!

This month, a small group of Tri-More friends enjoyed a special day at Kings Island! The group spent the day riding roller coasters, enjoying lunch together, and making some great summer memories.

Our **Small Group Enrichment Outings** give individuals the opportunity to explore special interests, try new experiences, and enjoy community activities in a smaller group setting. We plan to offer these special outings monthly, with destinations and activities changing throughout the year.

If your loved one would enjoy participating in an upcoming small group outing, please reach out to the Tri-More team for more information. Space may be limited, and additional fees may apply depending on the activity.

We're excited to keep exploring our community and creating more opportunities for fun, friendship, and new experiences!

Contact Andrew at 937-414-1089 to learn more about our Small Group Enrichment Outings

UPCOMING EVENTS

Sept 7 — Labor Day

Tri-More will be closed in observance of Labor Day

Sept 14-18 — DSP Week

Join us as we celebrate DSP Appreciation Week and recognize the incredible Direct Support Professionals who make a difference every day!

Sept 18 — Apple Picking

Apple picking at the orchard.

Sept 21-25 — Safety Week

Throughout the week, we'll welcome special visits from our local police and fire departments, learn important everyday and emergency safety tips, and put what we've learned into practice by concluding the week with a fire drill.

Check out this month's calendar for more details
